Habitat
for Humanity®

Playhouse Program Sponsorship

Investment: \$2,500 Per Playhouse

A fun opportunity to build-up your team, catch the Spirit of Habitat, and provide a child with their own special retreat!

Teams of any kind can build playhouses – business groups, faith communities, youth and school groups, members of community organizations, or just a group of friends! Each playhouse takes 4-6 hours to build and paint with the help of 6-10 volunteers. Each playhouse is pre-cut and brought to your parking lot or event site so that your team can build and decorate! And then your participants get to hand-off their creation at the end of the day to a recipient family or child-serving organization. Quite often it's a complete surprise to the children! Their reactions are priceless!

Here's what Habitat provides:

- A complete pre-cut and primed playhouse kit with all the necessary parts
- All the tools needed to complete the playhouse
- Paint, brushes, and tarps
- An opportunity to have fun and do something great for kids!

Habitat will be on-hand to take photos and video of your play-house build to share on social media. It's also a perfect opportunity to invite your customers, friends, and neighbors to enjoy the Spirit of Habitat!

How are recipients chosen? Habitat will work with local child-serving organizations to pre-select children that come from low-income homes. Recipients can be from local Habitat families, or from low-income families served by local organizations. In certain cases, the play-house may be donated to a child-serving organization to be used by all of the children they serve.

For more information on the Playhouse Program, contact Jim Phelps at jim@tvhabitat.org.
